

PRIVATE LABEL CONFECTIONERY SPECIALISTS

SWEET ME
KEEP ME 

About us:

Our love affair with sweets began in 2011 when Sweet Me Keep Me was established and we have never looked back.

The concept is quite simple, we wanted to offer a confectionery platform that clients can order literally anything from the heavenly world of confectionery from a single supplier, saving much time, money and effort and this has been the key to our success.

Our speciality is Private Label Confectionery ranges, where we offer a complete start to finish service, including design, printing, packaging and worldwide delivery. We also design exclusive sweets where you can have your own logo, shape, texture, colour, flavour and recipe to suit.

"Why promote other brands, when you can have your own?"

We work closely with packaging and confectionery manufacturers all over the world, so there is pretty much nothing we cannot do. Sweet Me Keep Me also supplies all branded sweets and chocolates, from the ever-popular retro sweets to the fashionable American candy and everything in between. If you have seen it, we supply it.

Here at Sweet Me Keep Me, we take our sweets seriously. Our primary concern is hygiene, thus all our products are packaged and warehoused in the highest accredited facilities with HACCP management procedures in place that deals with all aspects of food safety.
