About us:

At Sweet Me Keep Me, we have been making life sweeter since 2011 when we started bringing sweet ideas to life, offering our clients the world of confectionery through one trusted supplier.

Our extensive confectionery offering includes SMKM branded collections, alongside private-label and bespoke solutions that we produce behind the scenes for many of the world's top retailers. We provide a complete end-to-end service, from concept and product development to design, manufacturing, packaging and worldwide delivery.

From timeless confectionery classics to the latest sweet trends or something entirely unique, our carefully selected global network of manufacturers allow us to source and create confectionery tailored to your needs, from custom shapes, colours and flavours to personalised packaging and branding to bring your vision to life.

Quality and food safety are at the heart of everything we do. Our internationally accredited manufacturing partners uphold the highest levels of food safety, quality and compliance, ensuring exceptional standards and complete confidence in every product. With creativity, expertise and a genuine love for all things sweet, we're here to turn your ideas into reality.

welcome to the world of fine confectionery
